Shirley Area Schools Music Festival

Tickets for this are available from the Shirley Intermediate Office. Adults \$5 Child \$2 - no door sales. A big thanks to Thomas Parata who has been tutoring our group for this performance.

Know Local, Go Local - 7pm Tuesday 2 July - SIS School Hall.

Topic - Getting the best and creating the best in your community, for your family and you. Duane Major - renown for leading the campaign to save Awaroa Beach for the people of Aotearoa is speaking at school, joined by other key people, about the potential benefits for communities when individuals put a *stake in the ground* in support of their local community. City Councillors Glenn Livingstoe and Pauline Cotter are also speaking. This will be an invigorating hour of real people, real stories, opening up the possibilities and benefits of collective local action - **Know Local, Go Local**. We'll have the heaters on and some light food.

SIS in the Community - Last Sunday afternoon some parents and children from Shirley Primary School and Shirley Intermediate spent a few hours painting this fence. A mural which has been painted by children from Shirley Primary will be put on this fence, near Riselaw St, in the near future. Next week some SIS pupils will paint another fence further down the park in readiness for *our* mural to be erected. This is all part of brightening up our neighbourhood - **a big thanks to Rebeca Roper-Gee from the Shirley Village Project for organising this.** .

The children in Totara learnt about the process and benefits of dried fruit.

Dried Fruit

Bananas, apples, mandarins and fejoas,
Kiwifruit, tomatoes -will it ever be over?

Chopping, cutting, slicing forever,
Watching and waiting, standing together.

Placing the fruit in the right tray,
Layering them down in just the right way.

Crispy, rough, hard and a loud crunch,
Lumpy, wrinkled, different fun- lunch.

Apple and apricot was its taste,
I ate it slowly with no haste.

No pain- no gain,
It was so good I want to do it again.

Avonside Girls High School Year 9 for 2020

"... I am just slightly concerned about late enrolments this year. We always have people trying to apply later in the year, and if they are in zone, of course that is fine - but out of zone is more difficult. We will definitely need to run a ballot, and so **will not be able to take any out of zone enrolments after July 26th**. I never want anyone to miss out on the chance though so want to make sure all the interested families understand that! We have our enrolment form online this year <https://parentportal.avonside.school.nz/> but I have paper copies for those who might need them as well. Kind regards - Tanya Phillips, Deputy Principal AGHS"
