

Mufti Day Friday 6 December

Gold coin donation - Support Red Cross New Zealand battling the [measles epidemic](#) in Samoa.

... Seven New Zealand Red Cross health delegates are in Samoa supporting measles treatment and prevention activities, as the number of people suspected to have contracted this disease in the Pacific continues to climb...

"Every day we're looking at the figures and watching the death toll rise," New Zealand Red Cross volunteer Andrea Chapman said. "It's devastating really."

Chapman has taken time out from her regular work as a nurse practitioner at Nelson Medical and Injury Centre to volunteer for a two-week stint in Apia. (she) is helping local workers respond to an epidemic that has taken 60 lives, most of them children.

Skool Loop - Our new phone app, message alert

Shirley Intermediate School is switching our message from Flexibuzz to **Skool Loop**. The switch is immediate. no longer using Flexibuzz.
